How to Ride

Route Identification

All buses have destination signs on the front and on the curb side near the front door. The destination sign displays the route number and destination of the bus (example: 6 Downtown). Read the signs carefully to ensure you are boarding the correct bus.

Locating a Bus Stop

Passengers will be allowed to board or exit a vehicle at any marked bus stop. Bus stops are identified with signs. People using mobility devices may be allowed to board and alight at the nearest ADA accessible location to a bus stop.

Getting on the Bus

- ◆ Wave to get the attention of the bus driver so he/she knows you want to board.
- ◆ Stand back from curb when the bus is approaching.
- ◆ Take a seat if available, and remain seated at all times.
- ◆ Insert ticket or cash fare (exact change only) into fare box, or show driver KU Card, bus pass or transfer slip.
- ◆ No fare required at stops located on the KU campus.

Getting off the Bus

- ◆ Pull the bell cord above the windows prior to your destination stop.
- ◆ Remain seated and wait until the bus comes to a complete stop before attempting to exit.
- ◆ After you exit, stand to the side of the road or on the sidewalk until the bus has pulled away.
- ◆ Never cross the street in front of the bus.

Tips for Riders

- ◆ A bus is considered on time up to 5 minutes after the scheduled time.
- ◆ Arrive at the bus stop early. Too early is better than missing the bus.
- ◆ Have your pass, ticket, or fare ready before the bus arrives.
- ◆ Bus drivers are good resources and are willing to help. If you need assistance, please ask.
- ◆ Businesses located near bus stops will not provide restrooms, change, or phone services to transit patrons.
- ◆ Make sure you leave with all items you brought on the bus.

Service Alerts & Weather

Bus service may be impacted for various circumstances such as road construction projects, street events, or weather. In order to receive service alerts, download the My Bus Lawrence App, visit Facebook @lawrencetransit, or Twitter @TransitKU. Visit lawrencetransit.org/reroutes for detailed information on current reroutes.

When weather hits, safety is our number one concern. Buses may experience delays or need to use alternate routes during severe weather. Lift paratransit service may also be affected by winter weather. Check lawrencetransit.org, alerts.ku.edu, or call (785) 864-4644 for the latest information about how conditions are impacting transit. If management determines it is unsafe to operate, service will cease for the day. However, service shall not be canceled or suspended until after all return trips, to the extent reasonably possible, have been provided.

Regional Transit

In addition to Lawrence Transit, there are several other agencies in Douglas County providing transportation.

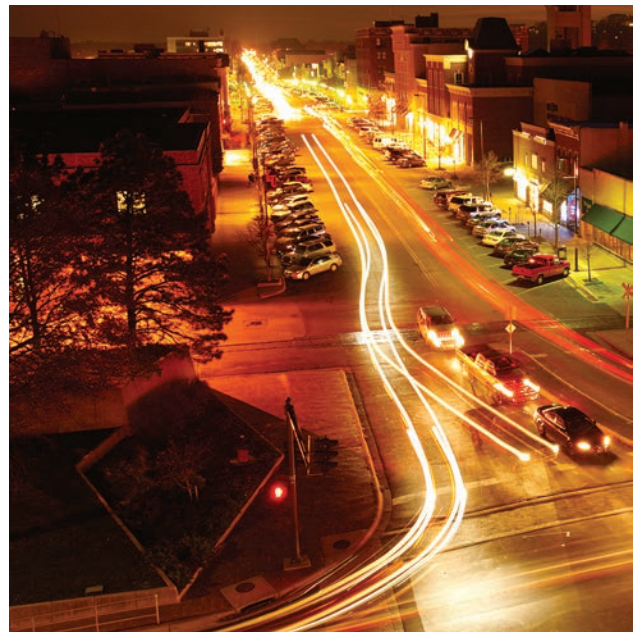

For a list of those services, visit lawrencetransit.org/regional-transit.
