Routes to Belonging

On the Number 1, the doors sigh open, and I step into a world stitched together by bus seats and window glass. A student with earbuds nods to the rhythm, a grandmother clutches her grocery list, two friends laugh in the shared language of being late together.

The streets roll beneath us, Mass Street brick, the curve past the river, the stop where someone always waves. Every route is a thread, tying one neighborhood to the next, a map not of distance, but of connection.

Here, belonging is not a single place, but the spaces we pass through, the glances we exchange, the stories we carry home in our pockets. Each ride is a reminder: we are travelers, we are neighbors, we are here together.

Fare Free

Lawrence Transit fixed-route and paratransit buses will continue to be fare free in 2026, and those services are proposed to remain fare free for 2027. The program will be re-evaluated annually to determine the feasibility of extending it the following year.

How to Ride

Trip Planning

To plan your trip, type your destination into Transit app to see what stop and route you need for your trip. This trip planning tool will give you options for determining when you want to travel. The default trip will show times for the next available bus, but you can select options to leave at a different time, or to arrive at your destination by a certain time. Find more information and links to download the app at lawrencetransit.org/mobile-tools.

Route Identification

All buses have destination signs on the front and on the curb side near the front door. The destination sign displays the route number and destination of the bus (example: 6 Downtown). Read the signs carefully to ensure you are boarding the correct bus.

Locating a Bus Stop

Passengers are allowed to board or exit a vehicle at any marked bus stop. Bus stops are identified with signs. People using mobility devices are allowed to board and exit at the nearest ADA accessible location to a bus stop.

Getting on the Bus

- Wait at a marked bus stop.
- Stand back from curb when the bus is approaching.
- Alert driver if you need the ramp to board the bus.
- Take a seat if available, and remain seated.

Getting off the Bus

- Pull the bell cord above the windows prior to your destination stop.
- Remain seated and wait until the bus comes to a complete stop before attempting to exit.

- Exit the bus using the rear door whenever possible, allowing other passengers to board through the front door without delay.
- After you exit, stand to the side of the road or on the sidewalk until the bus has pulled away.
- Never cross the street in front of the bus.

Tips for Riders

- A bus is considered on time up to 5 minutes after the scheduled time.
- Arrive at the bus stop early. Too early is better than missing the bus.
- Bus drivers are good resources and are willing to help. If you need assistance, please ask.
- Make sure you leave with all items you brought on the bus.

Lost & Found

If you leave an item on a bus, call (785) 864-4644, 8 a.m.–12:30 p.m. or 1:30 p.m.–5 p.m., Monday–Friday, except holidays. You may also report lost items online by visiting lawrencetransit.org/lost-found. You will be asked to provide a detailed description of the lost item, your name, and a contact number or e-mail address.

Found items are normally available to be identified and logged by 1 p.m. the next business day. All found items will be kept for a maximum of 14 days at Central Station, 2315 Bob Billings Pkwy. Lawrence Transit, KU Transportation Services, and the contracted service provider are not responsible for lost, stolen, or damaged belongings.

Bikes on the Bus

Combining biking and transit can get you farther in Lawrence. There are a few things to be aware of when taking your bike on the bus.

- There are two bike racks on each bus. Racks are available on a first-come, first-served basis.
- If there are no bikes in the rack, you should place your bike in the slot closest to the bus.
- To lower the rack, squeeze the handle and pull it down. After placing your bike in the rack, raise the support arm over the front tire to secure it.
- Please remind the driver that you will be removing your bike when you get off the bus.
- To see a video about how the bike rack works, please visit: lawrencetransit.org/bikes-on-buses.

Travel Training

Travel Training is a free, personalized service provided to anyone interested in learning how to use the fixed-route bus system and other transit options in the area. This program is customized to meet your individual needs and goals.

To sign up for our Travel Training Program, fill out the request form here: lawrencetransit.org/travel-training.

KU SafeRide

KU SafeRide is a student fee-funded service at the University of Kansas. It provides a safe ride home for KU students from any location in Lawrence.

During Fall and Spring semesters, SafeRide operates from 10 p.m.–2:30 a.m., seven days a week when classes are in session and on New Year’s Eve. During the Summer semester, SafeRide operates from 10 p.m.–2:30 a.m. Thursday, Friday and Saturday nights. Service calendar is on page 48.

To request a ride and see when your vehicle will arrive, you can use the KU SafeRide app (preferred), or call (785) 864-SAFE [7233] during operating hours. For the most up-to-date information, visit saferide.ku.edu.

Downtown Station

Downtown Station is planned for City Parking Lot #14, in the 700 block of Vermont St. The lot is on the northeast corner of 8th and Vermont Streets.

Downtown Station aims to improve comfort and convenience to encourage more transit ridership today and in the future. In comparison with the design and construction of Central Station, less significant improvements will be needed for the Downtown Station. The main elements that have been identified to include in the site design for Downtown Station are:

- Driver restrooms
- Individual bus bays
- Seating and wind protection
- Next departure signs
- Weather protection

For more information, visit the Downtown Station project page at lawrencetransit.org/projects/downtown-station.

Service Alerts & Weather

Bus service may be impacted for various circumstances such as road construction and street events. When weather hits, safety is our number one concern. Buses may experience delays or need to use alternate routes during severe weather. On Demand and T Lift paratransit service may also be affected.

Follow us on Facebook at facebook.com/lawrencetransit, visit lawrencetransit.org, check Transit app, or call (785) 864-4644 for the latest information about how conditions are impacting transit. If management determines it is unsafe to operate, service will cease for the day.
